Involvement — where would we be without it? Wanting to experience various ways of life has constantly motivated people. Whether a person attained world recognition or experienced involvement quietly in his daily life was irrelevant; the important idea was that he attempted to make life easier for future generations. Ultimately, it is now our task to achieve such purposeful involvement.

Can you see yourself
reflected
in the seasons?
Can you try to see
the need
to carry on?

NATIONAL HONOR SOCIETY

On November 21, 1972, twenty-eight seniors at Pittsfield High School were inducted into the Longfellow Chapter of the National Honor Society. Membership in this organization is achieved if a student earns an average of 90 or better during the latter half of the junior year. This average must be maintained throughout the senior year. The members of this society are expected to uphold the standards of the society chapter, namely, exhibit qualities of character, leadership, scholarship, and service. Chapter advisors are Mrs. Nancy Rutledge, Mr. David Quinlan, and Miss Marion Clark.

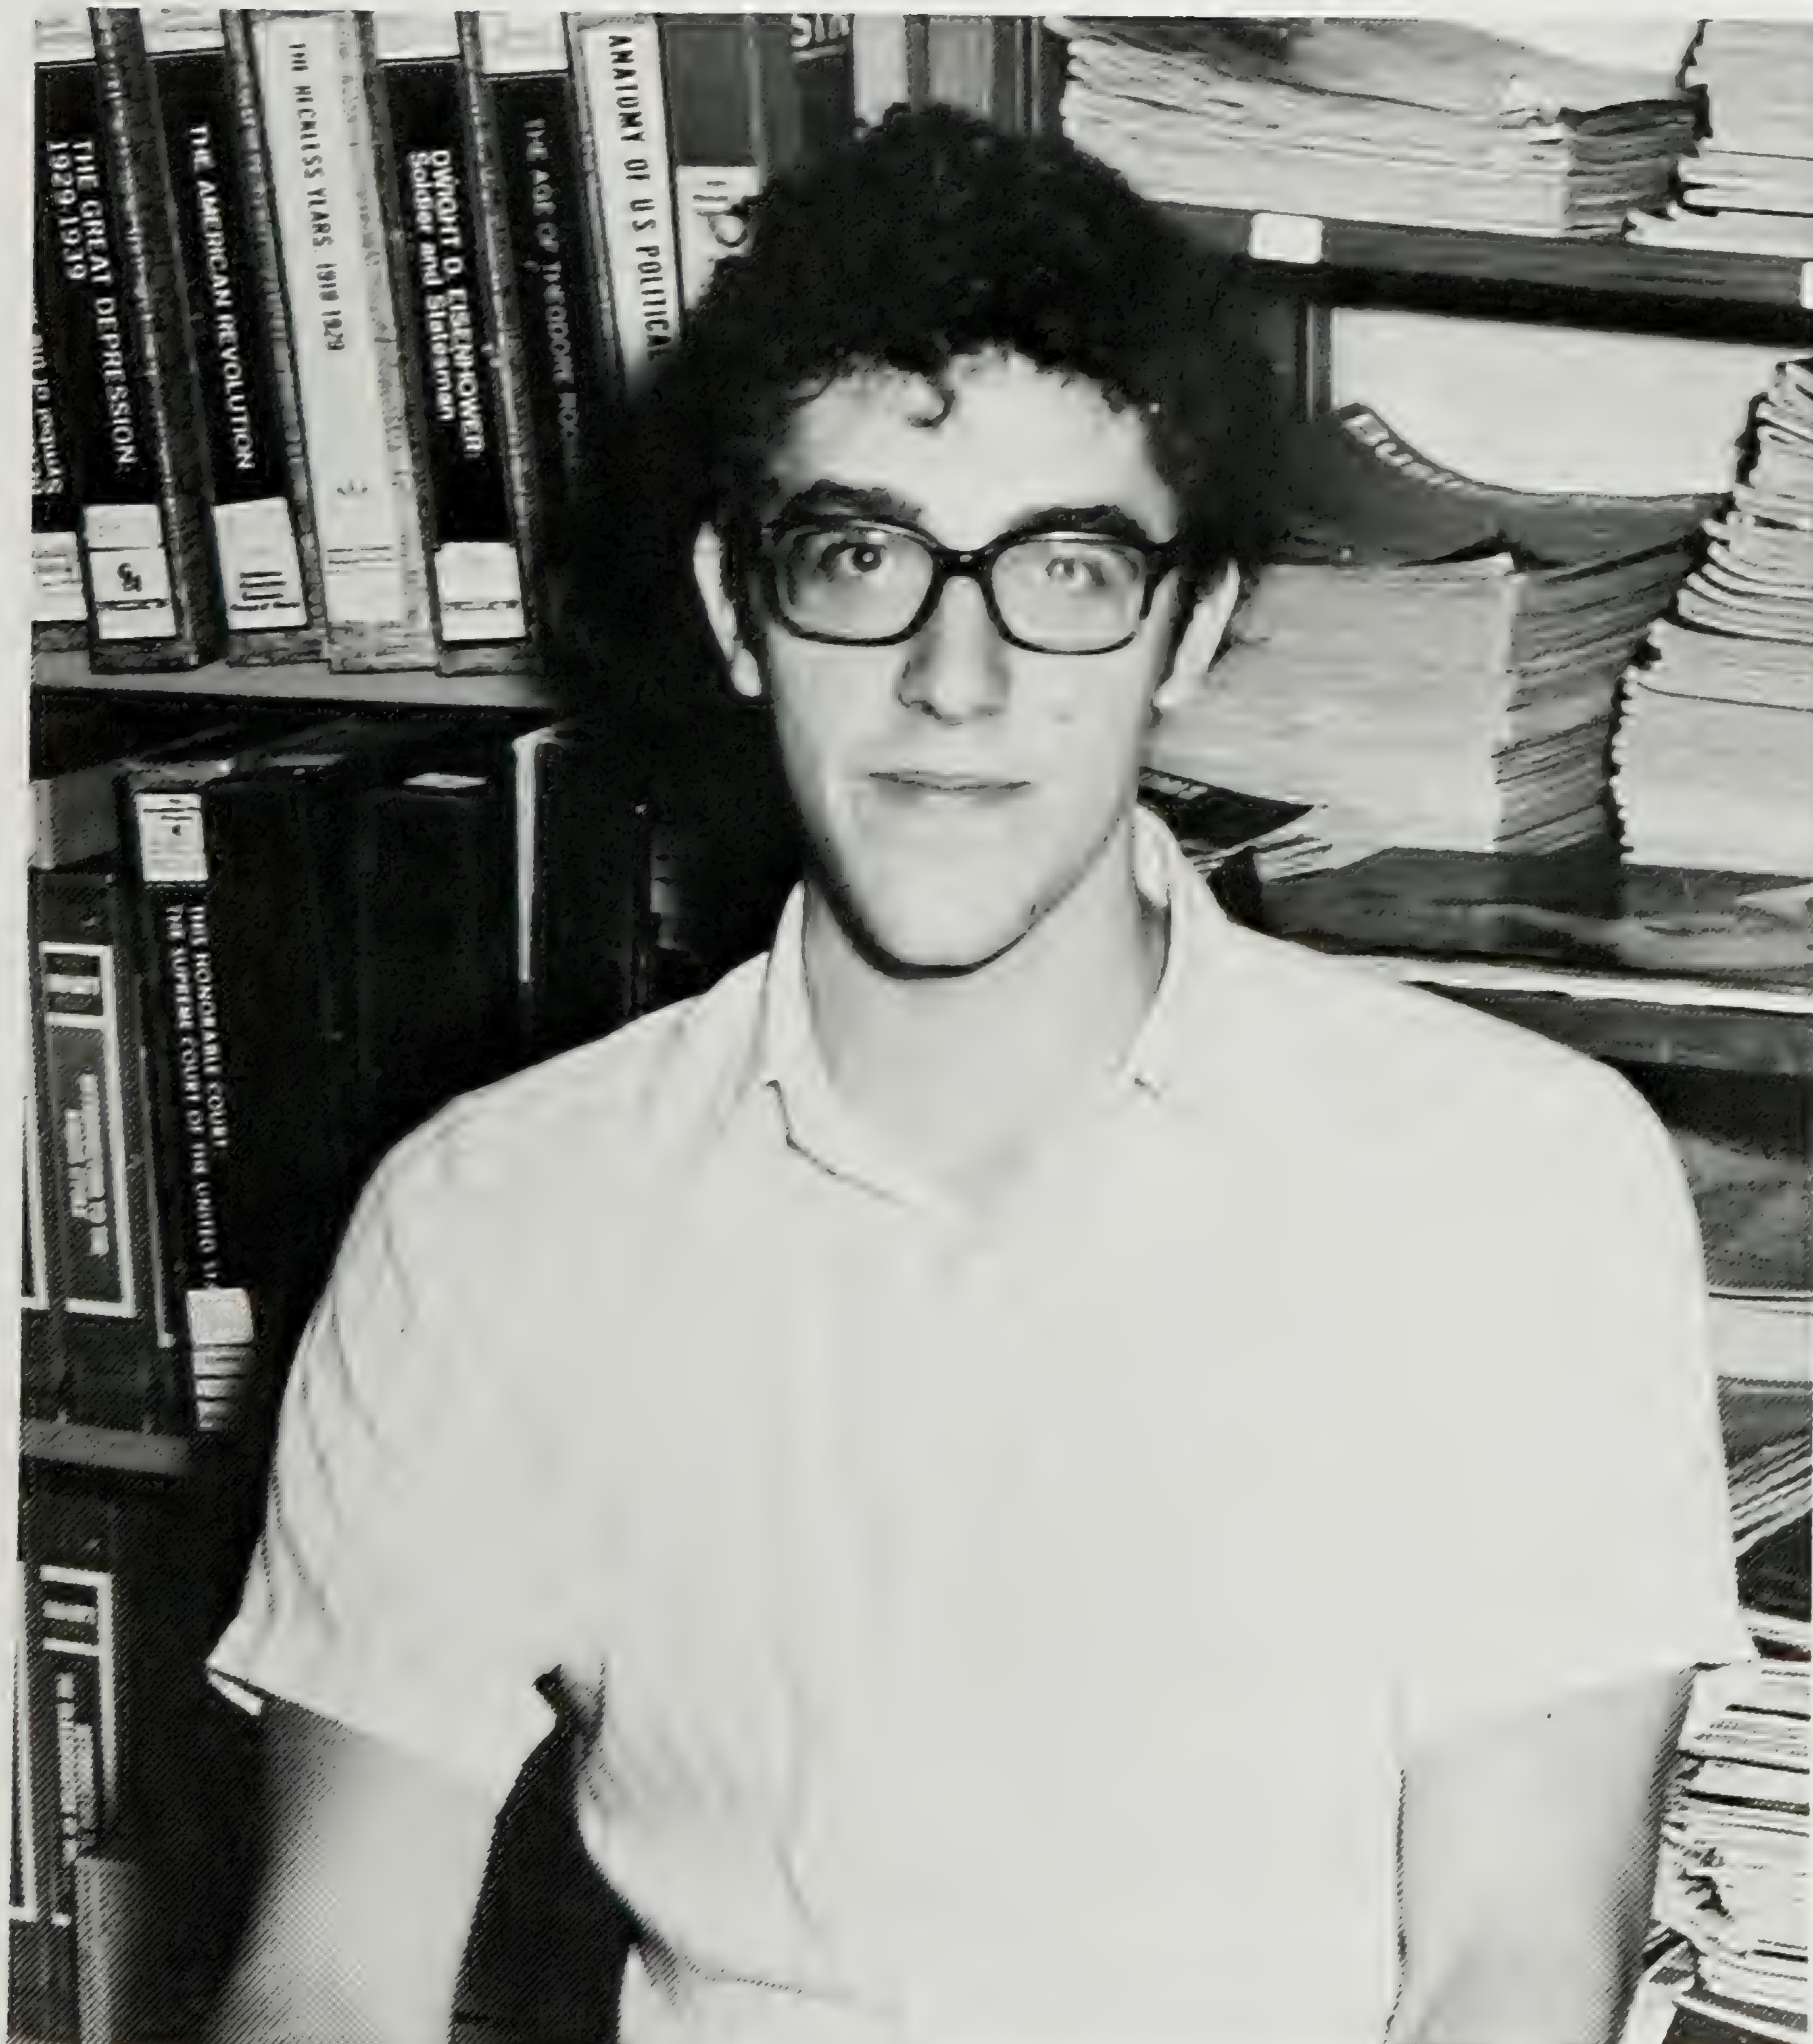

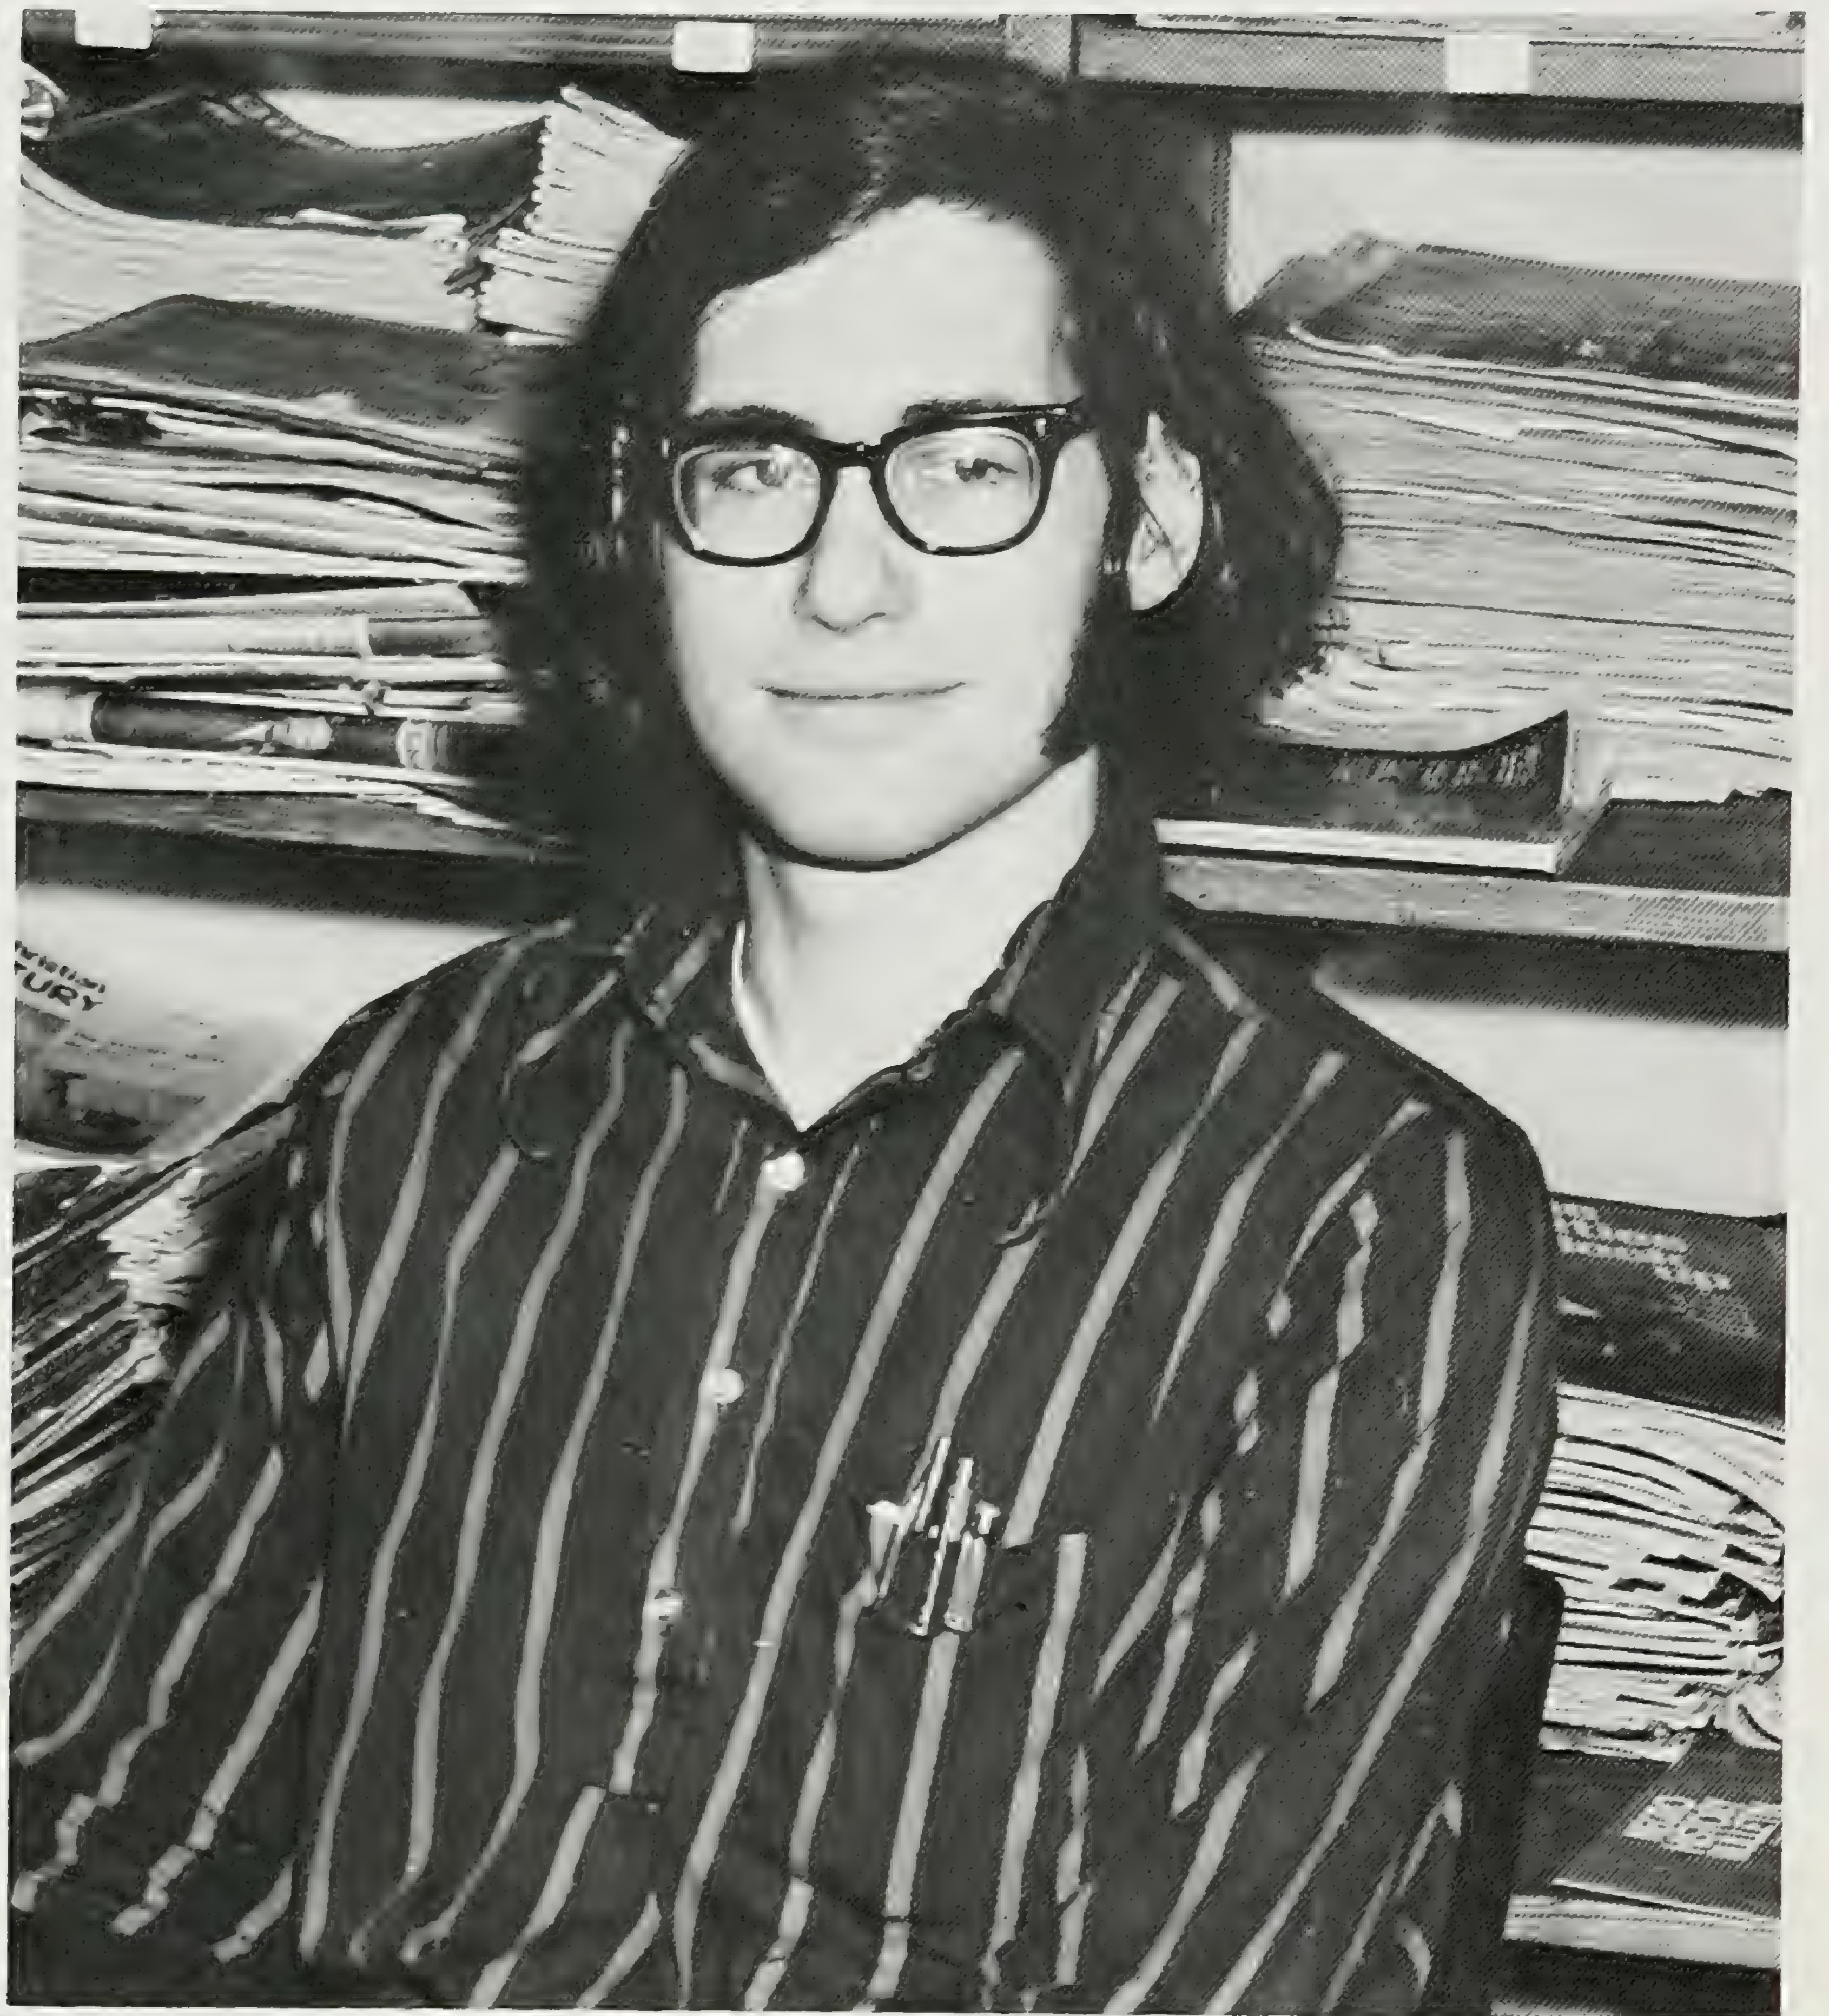

NATIONAL MERIT LETTERS OF COMMENDATION RECIPIENTS

The National Merit Scholarship Corporation sent Letters of Commendation to 35,000 students in the fall of 1972. They were chosen on a national basis for having scored above the national qualifying average on the basis of their PSAT/NMSQT scores. Scores, college major, and career choices were sent to the colleges chosen by the recipient of a Letter of Commendation.

This year, Eric Brus and Joe Heimann have been chosen by the 18th Annual National Merit Scholarship Program to compete for national scholarships. The two were selected on the basis of their performance in the 1972 PSAT/NMSQT. This is a test which focuses in the fields of mathematics and English. The students were two of 14,500 selected across the country. They are now competing for 1,000 one-year scholarships and 2,000 renewable scholarships.

FIVE OUTSTANDING TEENAGERS OF AMERICA

Sharon Flanagan,
June Stankiewicz

The Outstanding Teenagers of America is an awards program sponsored by leaders of major youth organizations. It is a special award which is given to selected high school seniors upon investigation of their accomplishments in academics and in various activities. The award itself is designed to commend high school seniors who have contributed significantly to their school and community. These students were nominated by Mr. Murphy and the advisor to the student council, Mr. Lizotte.

Mike McNerney, Jodie Sacchetti, Dan Fox

Boys' and Girls' State Representatives

Before the conclusion of each school year, one boy and girl from the outgoing junior class are chosen to represent Pittsfield High School at a convention of delegates from every high school in the region. Alternates are also chosen. The students learn about government and actually form the structure of a government in order to gain a deeper understanding of the concepts involved. These students are recommended by the administration, the teachers, and the guidance department. The nominees are sent to the American Legion for final selection. The delegates from the Class of 1973 were Tom Tomasi and Mary K. Magner; alternates were Dan Fox and June Stankiewicz.

DAUGHTERS OF THE AMERICAN REVOLUTION AWARD

June Stankiewicz

The Daughters of the American Revolution is an award given to a senior girl. It is based on citizenship, activities and good scholarship. The recipient of this honor is chosen by the faculty and the guidance department with special emphasis on services to the community and to the school.

JEWISH WAR VETERANS AWARD

Each year the Jewish War Veterans choose a recipient for their "Classmates today, Neighbors tomorrow" award. It is based upon outside community interests, school citizenship and ability to get along with others. In general, the award is centered around "Service Above Self."

Sharon Flanagan

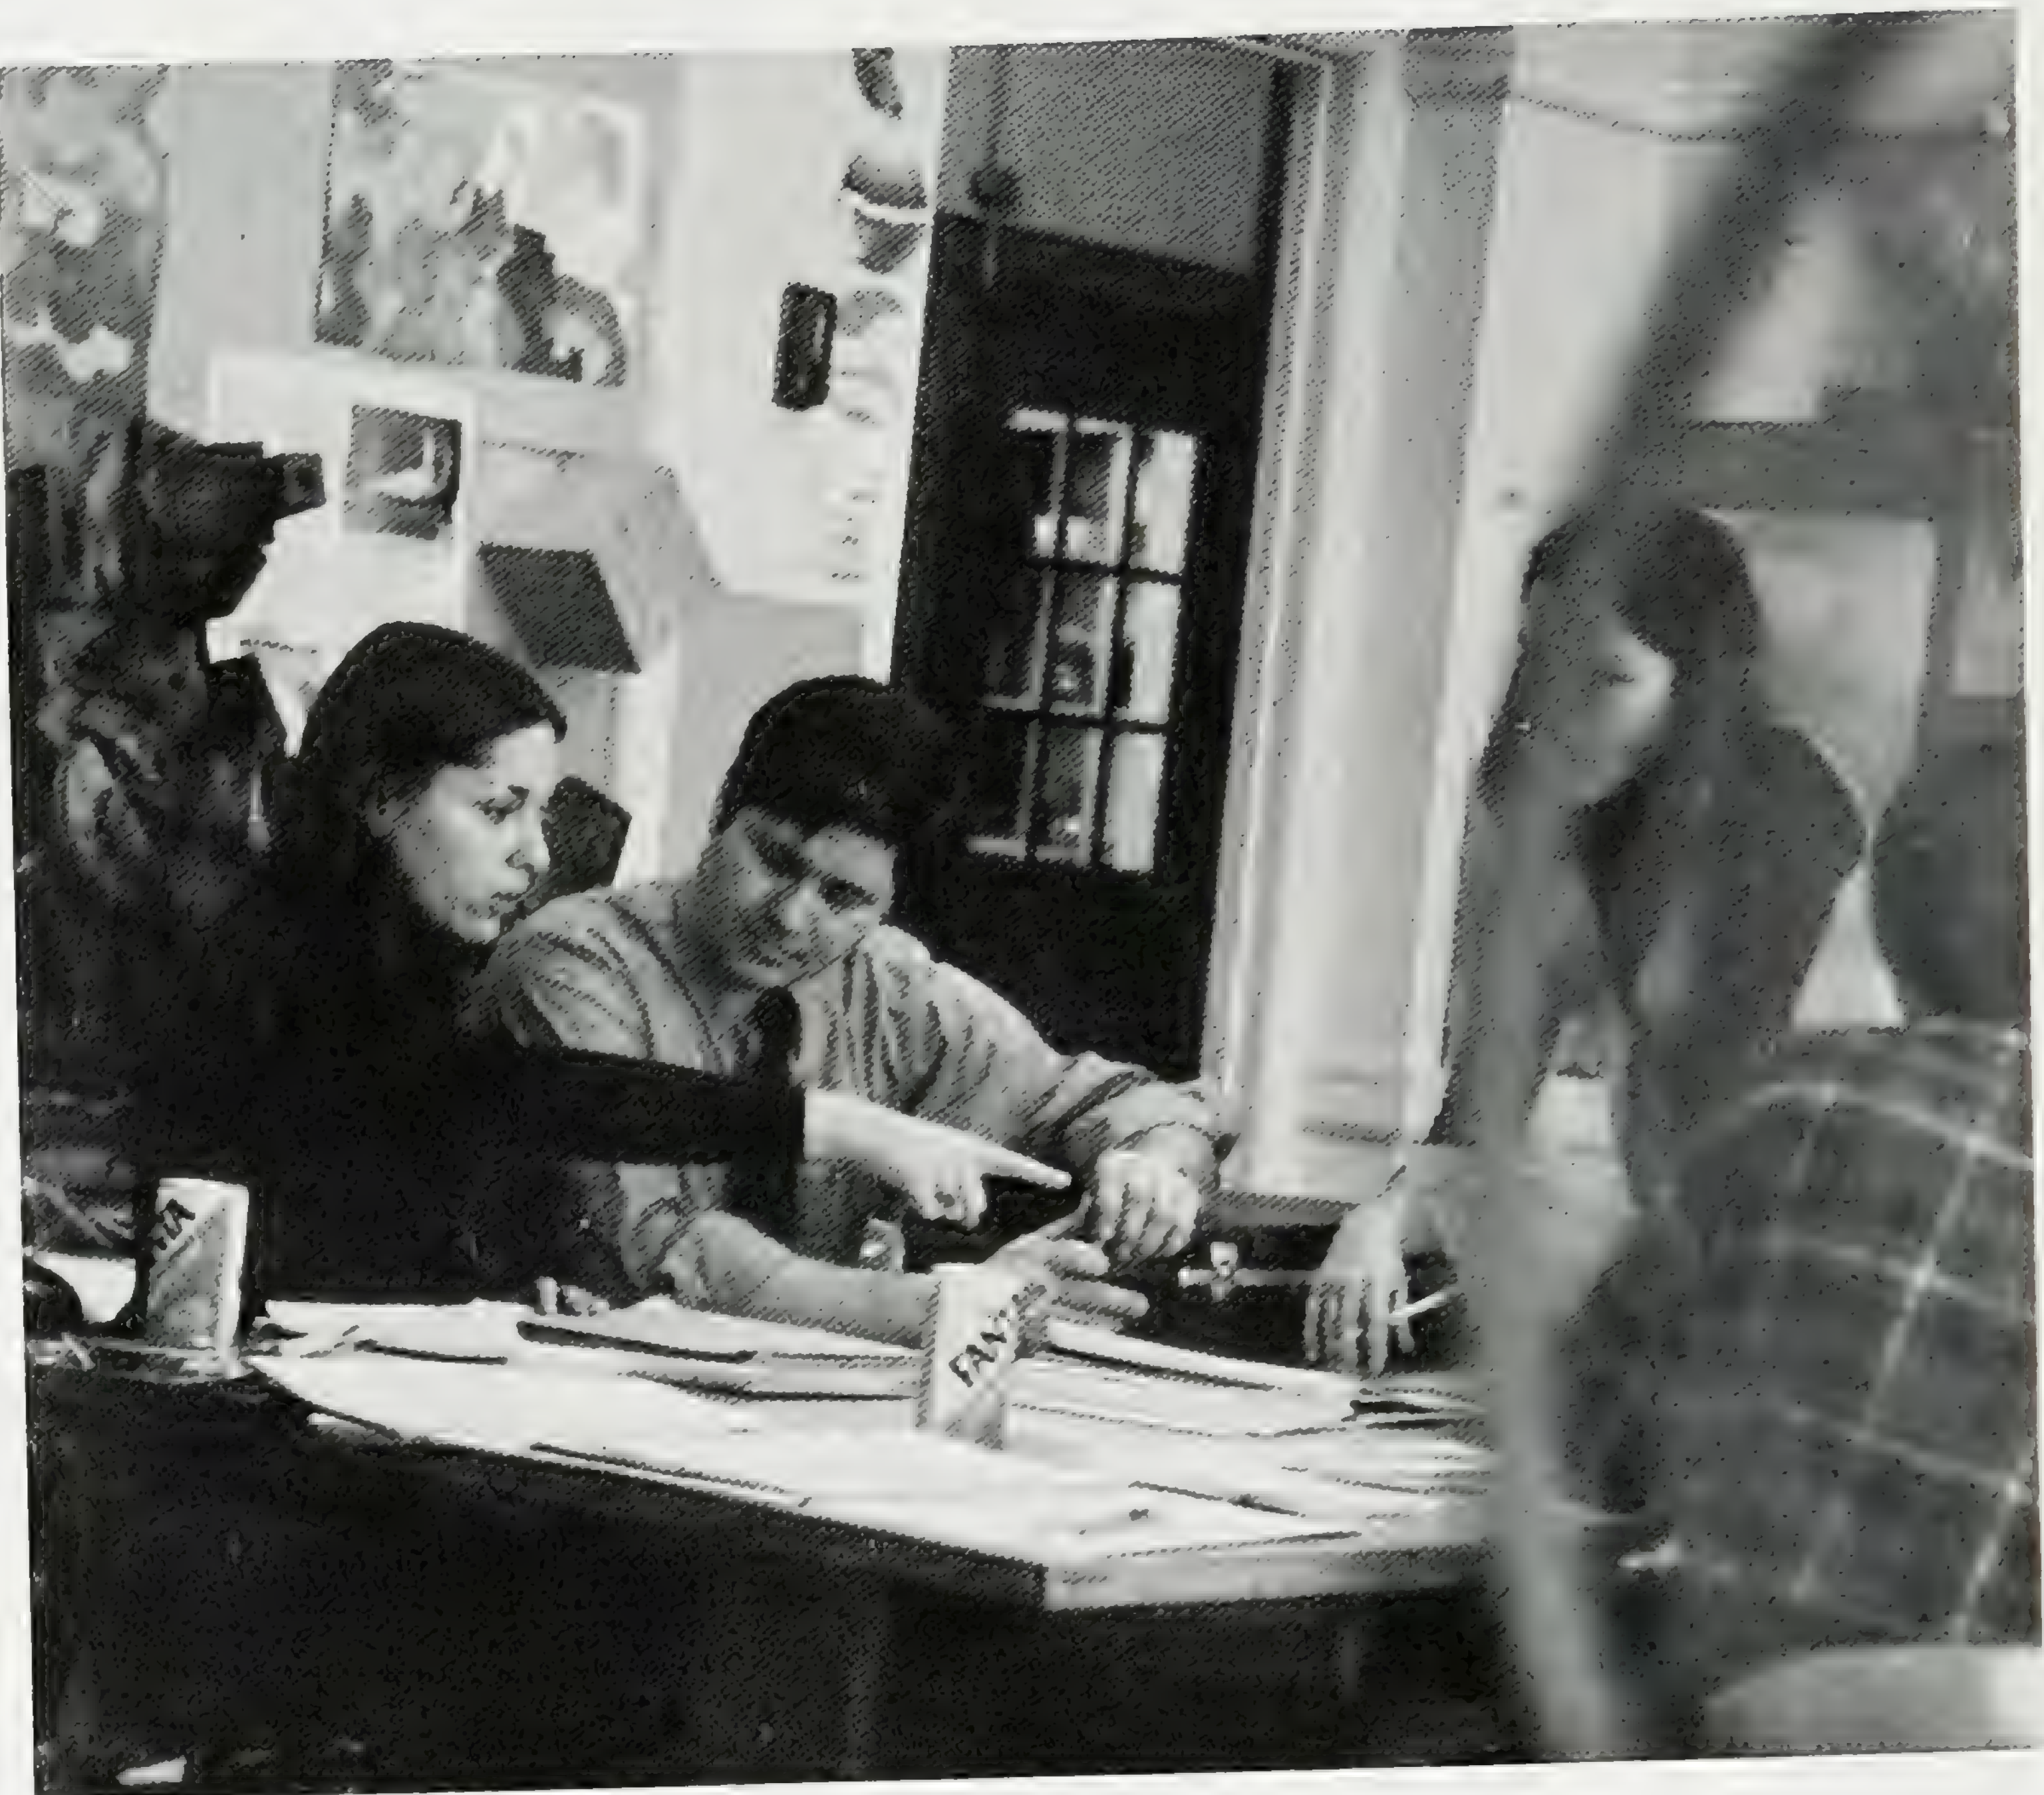

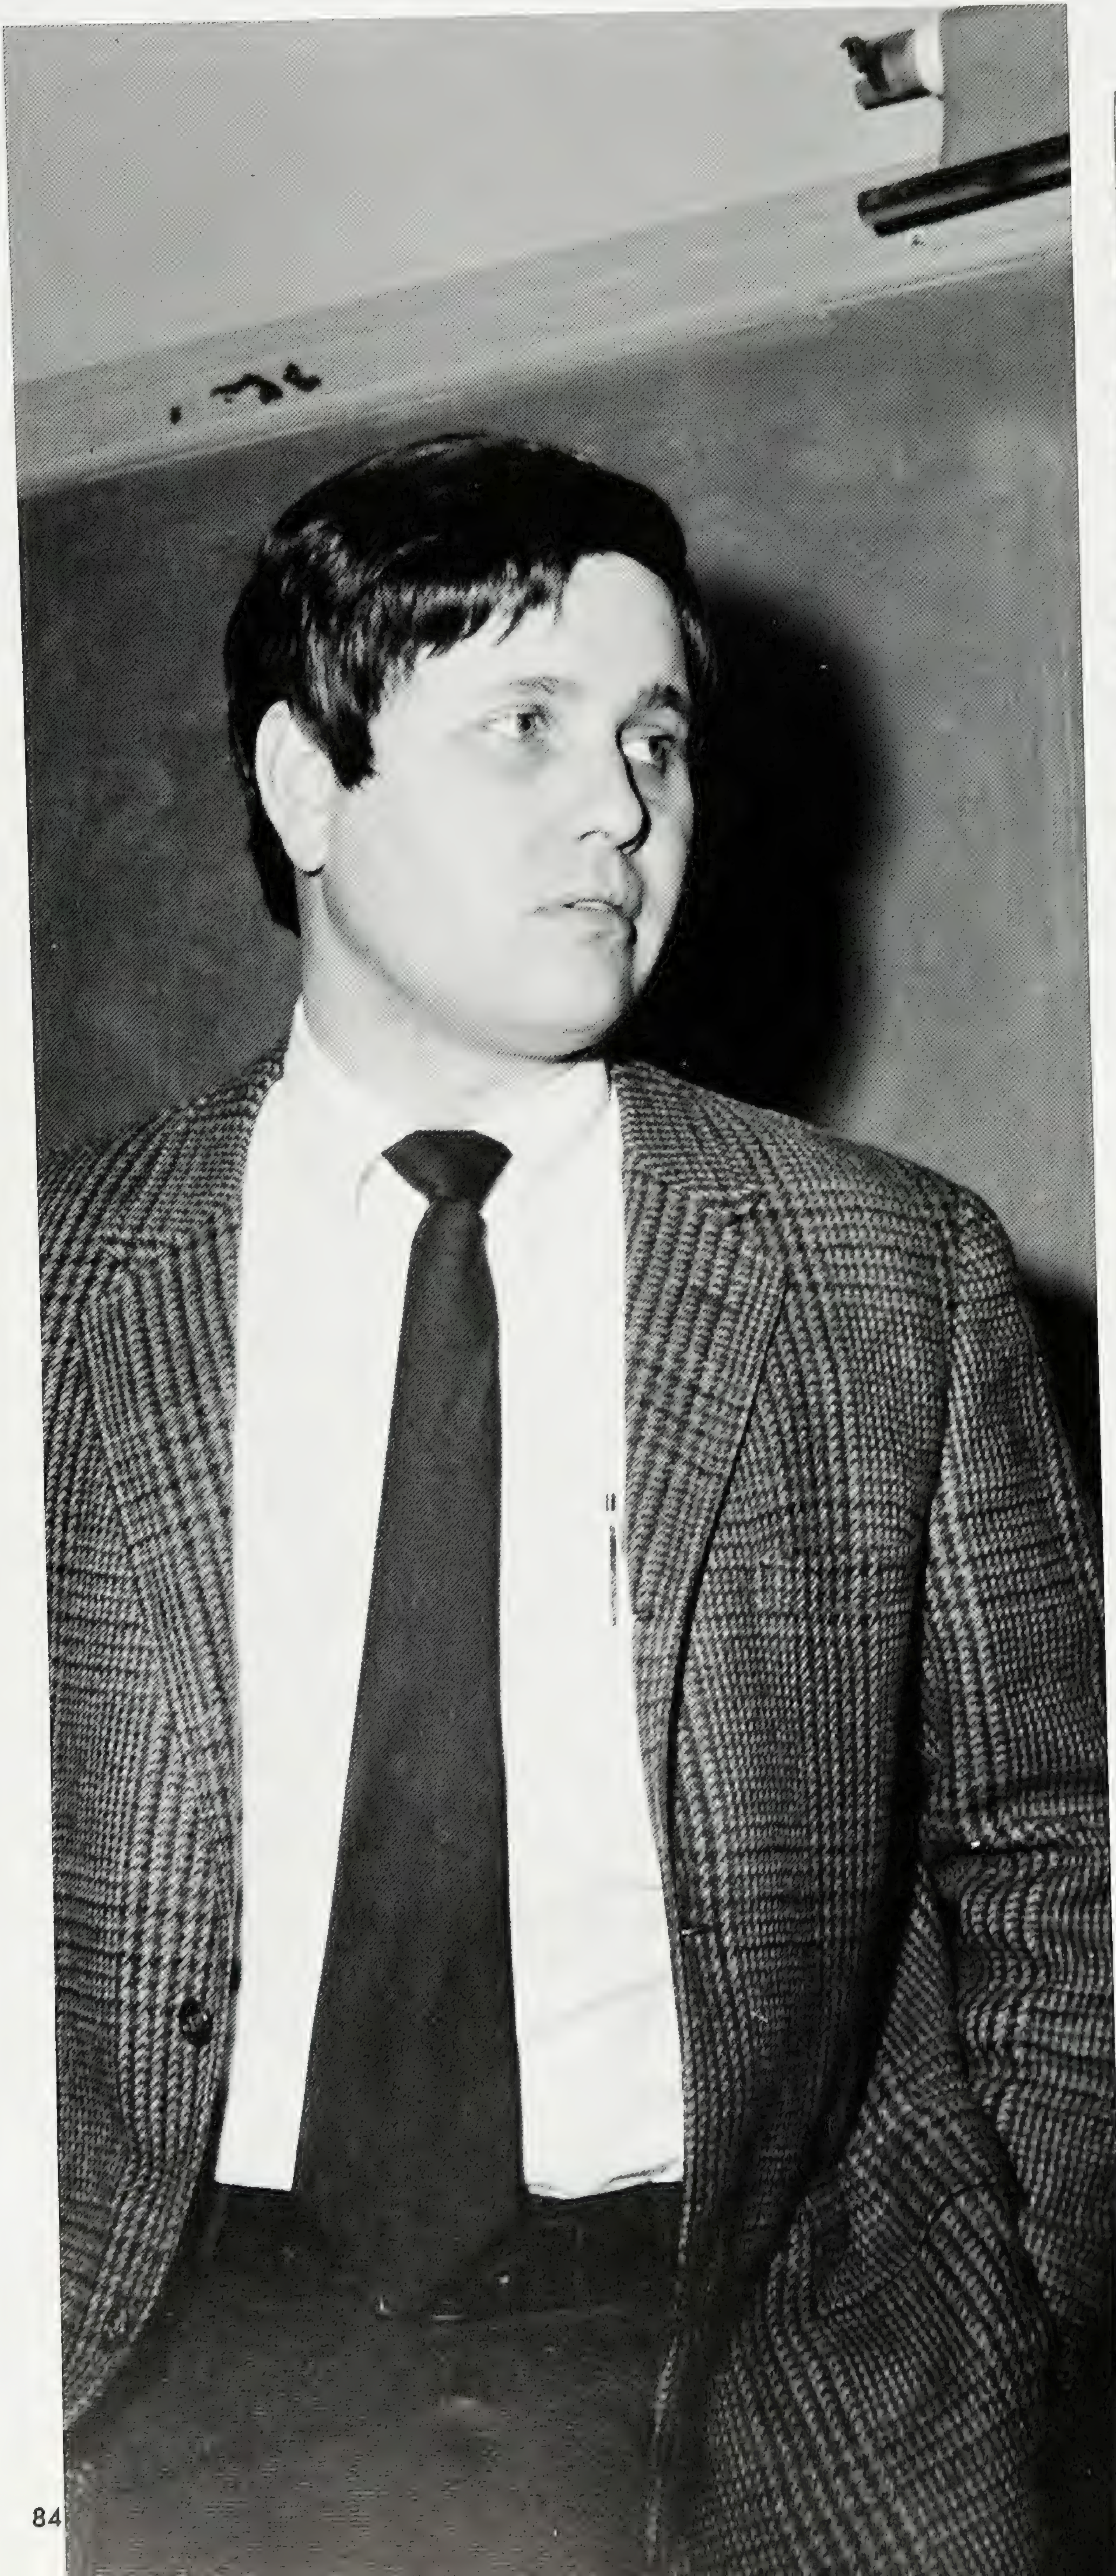

The following students are recognized and commended for receiving the following honors and awards: June Stankiewicz received the Career Key Award, a scholarship given by the Pittsfield Girls's Club. Michelle Karl received the Betty Crocker Homemaker's of America Award. Jodie Sacchetti and June Stankiewicz were honored with The National Honor Society Scholarship. Eric Brus received the 1972 Williams College Award presented by the Williams College Alumnae Association of Berkshire County for outstanding scholarship of a Junior. Malcolm Low was awarded the 1972 RPI Award for excelling in math and science. Jim O'Keefe had the honor of being the nominee from Pittsfield High School for the 1972 Christian Herder Award.

Jodie Sacchetti (above), participated this year in the "Voice of Democracy Script Writing Contest" sponsored by the Veterans of Foreign War. The participants were instructed to write on the theme, "My Responsibility to Freedom." Jodie won a \$25 bond in the school contest, went on to receive a \$50 bond for winning the contest in the ninth district, and placed fourth in the state-wide contest.

Arnold Rosen (left), has achieved national recognition for excellence in English from the National Council of Teachers of English Achievement Awards Program. The purpose of this award is to honor worthy and outstanding English students in all fifty states and to recommend them to various colleges as candidates for admission and for financial aid.

The Coast Guard is the smallest armed force you can join. That means every man is a well-trained specialist with an important job to do. And as much responsibility as he can handle.

In the Coast Guard, you'll be a part of a valuable peace-time service. The Coast Guard maintains over 40,000 aids to navigation, studies the weather, operates the International Ice Patrol, enforces ship and port safety regulations, and performs emergency search and rescue operations all over the world. In a recent year, the Coast Guard saved 15,000 lives and 2 billion dollars in property.

Since 1835 the Berkshire Mutual has had its part in insuring the future of Berkshire County residents against loss of property. Selling through independent agents, it offers:

- Modern insurance coverages for your home, personal property and business.
- Savings through dividends which are paid on most types of policies.
- Fast claims service, the kind you appreciate when you have a loss, the kind that is possible because BMI's home office is located in Berkshire County.
